### Indiana Scientist Who Originated the Now Famous "Home Treat- ment" Offers \$1.00 Treatment Free to Sick and Ailing.

In order that every reader of the Chariton Courier who needs treatment may have an opportunity to test this celebrated medicine, the now famous Indiana scientist has come to the front with an offer to give absolutely free a full size \$1.00 package to five hundred persons to prove the wonderful claims which have been made for it. In making this offer the scientist said: "I know that there are many people who have been suffering for years with some chronic disease and many of them have spent large sums of money seeking a cure. I know that these people hesitate about investing money in medicine because they have despaired of ever getting well. Thousands have told me that story and many thousands of the same people have told me afterwards that my treatment had cured them after doctors and everything else had failed. I want to show these despairing people that all the newspaper talk about my treatment is absolutely true. I want to prove to a limited number—no matter what the disease, no matter how long they may have suffered, no matter how blue and discouraged—that my treatment really and actually does accomplish the wonderful results that have been re-

ported." People who suffer from Rheumatism, Kidney Trouble, Stomach Trouble, Liver or Bowel Disorders, Catarrh, Bronchitis, Asthma, Chronic Coughs, Weak Lungs, Lumbago, Piles, Urinary Disorders, Female Weaknesses of any kind, the weak, worn out, broken down and despondent will be delighted at the effect of a few doses. This wonderful treatment creates a fine appetite and helps the digestive organs to carry on their functions as they should. It strengthens the kidneys, too, and drives rheumatism poisons from the blood as if by magic. That is why people who try it become so enthusiastic. Any reader of the Chariton Courier who will try this extraordinary medicine that has created so much excitement by its cures can obtain absolutely free a full \$1.00 treatment by simply filling in the coupon below or writing a letter describing their case in their own words, if they prefer, and mailing it today to James W. Kidd, Fort Wayne, Indiana. No money need be sent and no charge of any kind will be made. As this offer is limited, you should write at once, in order to be sure to receive your free treatment.
